

IdeApps Website Tasks

Helpful tasks to explore the website(Optional)

IdeApps is a responsive web application that allows users to post and select project ideas by swiping for ideas that have caught their attention or right for unappealing concepts. Users will be able to share ideas and find people to collaborate with as the members of this app will provide unique and diverse ideas.

- Hover over buttons
- Use the search tab
- Click some of the header buttons
- Find the refresh button
- Browse through different projects
- Find the in-depth view button
- Browse through the project page description details
- Explore some of the links and information
- Find and click some Pictures
- Find the arrow to go back button

IdeApps Survey

This survey is anonymous.

IdeApps is a responsive web application that allows users to post and select project ideas by swiping for ideas that have caught their attention or right for unappealing concepts. Users will be able to share ideas and find people to collaborate with as the members of this app will provide unique and diverse ideas.

Please take time to do this survey, which will only take a maximum of 5 minutes.

Q1. Did you find the website easy to navigate? Why?

Yes very easy to navigate through the website, refresh and in-depth button were very easy to find and back button also easy to use.

Q2. What did you like most when using the website? Are there any feature you would like improved or implemented to the website.

The in depth feature was very interesting and useful when I wanted more information about a particular project. However some of the buttons on the header did not work.

Q3. In your opinion, does the website cater to the needs of users with certain disabilities (eg: visual impairment, neurological disability)? Why?

Yes, it would be very simple for someone with a neurological disability to use.

Q4. Were the button elements consistent and familiar? Eg home button, like button, share, etc

YES

Q5. Rate the swipe to find project user interface.

Very unsatisfied 1 ☐ 2 ☐ 3 ☐ 4 ☐ 5 ☒ Very satisfied

Q6. Rate the contents of the project detail page.

Very unsatisfied 1 ☐ 2 ☐ 3 ☐ 4 ☐ 5 ☒ Very satisfied

Q7. Rate the visual design of the website.

Very unsatisfied 1 ☐ 2 ☐ 3 ☐ 4 ☐ 5 ☒ Very satisfied
